INNOVATIONS

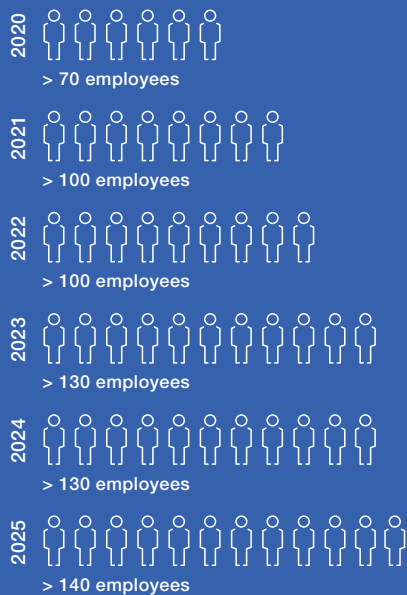

Who are we?

We are a Polish, family-owned company.

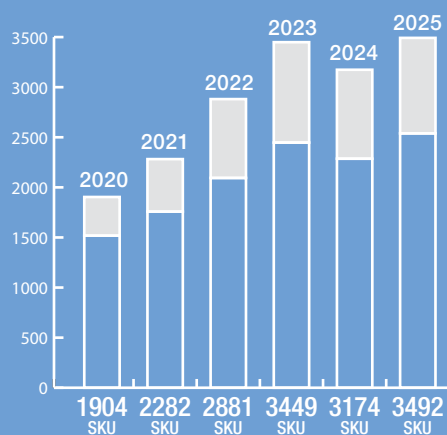

We have been delivering innovative products to the market since 2000, and our new ideas are quickly transformed into effective and proven solutions. That is why our products have gained recognition and a strong position on the Polish and European market.

Revenues 2020-2025

Transformation of the sole proprietorship into a civil partnership with Wiesław Owczarek and Rafał Owczarek as its shareholders. The name of the company was changed into ORNO Export-Import and the company started its import activity.

Completion of the investment and the company's relocation to a new 1600 m² office and warehouse facility in Mikołów.

1991

2007

2000

2010

Wiesław Owczarek establishes a small printing company called Zakład Poligraficzny ORNO.

Completion of the investment and relocation of the company to a new office building in Łaziska Górne with an office space of 320 m² and an adjacent warehouse of 400 m². Change of the company name to "ORNO-POLSKA".

Completion of the investment and relocation to the new headquarters of the company located in Gliwice at Rolników street. The new facility has 3,000 m² of high-bay warehouse and 1,200 m² of office space.

Consistent implementation of plans and strategies adopted in 2019. The company's offer includes over 1,900 warehouse indexes. Launch of an additional 1800m² warehouse, located in the Panattoni II Warehouse Park in Gliwice.

Welcome in our world of
LIVING INNOVATIONS

Updating the company's commercial strategy. Distinction of 4 main product lines. Designing and implementing a refreshed image of product packaging, referring to the company's new strategy.

Reorganization of the company's organizational structure. Establishing a product management department. Intensive work on the development of the product offer. Designing a new strategy for the brand portfolio.

2012

Enabling our Business Partners to cooperate with ORNO via a dedicated B2B platform.

Creation a quality department and procedures related to the manufacturing process of our products.

2014

Establishment of the Export Department. Beginning of expansion into foreign markets.
Acquiring the first customers from Germany, France, Ukraine, the Czech Republic and Romania.

Construction of a second 1,000 m² warehouse.

2013

2015

2021

2022

Completion of Stage B of the investment - construction of the headquarters along with the logistics center. The total area of the facility increased to 6000m² of warehouse space and 1700m² of office space.

2023

2025

The last step, of our brand portfolio strategy implemented for several years, was to introduce changes in the way ORNO brand communication is delivered. As a result of marketing research, we decided to divide ORNO branded products into two product lines - ORNO for home and ORNO for professionals.

Start of stage C of the investment - construction of the headquarters along with the logistics center.
