### PRODUCT DESCRIPTION

The lighting garland is not only a light composition, but also a unique decorative element that adds a special atmosphere to a space. Its unique design and high quality workmanship make it an extremely attractive addition to any décor.

The garland is made up of 15 light points with a power of 1W and a luminous flux of 60lm each. The device guarantees perfect illumination, which gives the surroundings a pleasant atmosphere. The large milky

spherical shades (∅10cm), which house energy-efficient LED light sources with a wide 360° beam angle, ensure even light dispersion. By placing the light points in line on the cable, the garland will look good hung both horizontally and vertically.

Thanks to its high IP65 protection level, the garland is resistant to harsh weather conditions, allowing it to be installed both indoors and outdoors. With a colour temperature of 2500K, the light emitted is warm and pleasing to the eye, giving the effect of candles lit all around.

A 2m cable connecting to the power supply ensures free, easy and convenient installation of the garland. In addition, two hooks for hanging the garland give greater flexibility in its use. A power supply unit with an input voltage of 230V AC and an output voltage of 12V DC is included.

The high-quality rubber cable from which the garland is made guarantees durability and safe use. The total length of the garland is 10.5m.

## TECHNICAL DATA

### General information:

Lamp voltage [V]:	230
Lamp type:	Inne
Lamp power [W]:	15
Luminous flux [lm]:	900
Model:	Wqz gumowy
Degree of protection (IP):	IP65
Protection class:	III
Energy efficiency class of the built-in lamp:	G
Rated life time L70/B50 at 25 °C [h]:	25000
Colour temperature [K]:	2500
Colour of light:	Ciepła biel
Colour rendering index CRI:	80-89
Beam angle (°):	360°
Diameter [mm]:	100
Total length [mm]:	10540

<b>Mounting method:</b>	Do montażu natynkowego
<b>Voltage type:</b>	AC
<b>Type of control gear:</b>	Transformator elektroniczny
<b>Exchangeable control gear:</b>	tak
<b>Length of particular segments [mm]:</b>	460
<b>With end piece:</b>	tak
<b>Other features:</b>	Zasilacz w zestawie - wejście 230V AC, wyjście 12V DC
