PRODUCT DESCRIPTION

The complete LED lighting set is a safe, economical and functional solution for interior and decorative lighting of furniture and dry room recesses. The LED lighting is economical (7.2W/m), bright (30 LEDs/m) and safe. The tape is dustproof (IP20). The colour of the light is optional (from blue through green, yellow, orange to red) or cold or warm white. The set also includes a light colour controller and a 230V AC/12V DC power supply.
