PRODUCT DESCRIPTION

LED staircase lights designed to provide decorative lighting to stairways, halls, walls, facades and other indoor traffic areas. The unique design of the light, its fixture made of stainless steel and the use of LED technology make the lamp suitable for both - classic and modern interiors. This staircase lamp works with rated power of 1.5W and emits light with luminous flux of 30 lm with a warm and pleasant colour, which is 3000K. The innovative method of assembly allows you to mount the luminaire in any box with a diameter of 60 mm. Colour: white.
