### PRODUCT DESCRIPTION

The single pendant DELOS lamp is a luminaire adapted to one 60W lightbulb with E27 base. Ingress protection grade IP20 makes it appropriate for mounting indoors. Lightbulbs are not included in the set and need to be bought separately, taking into account their wattage as well as color temperature of the emitted light. The final effect will largely depend on these choices. Naturally, it is a good idea to keep in mind the intended purpose of the illuminated space and select the appropriate light sources accordingly.
