PRODUCT DESCRIPTION

The double pendant DELOS lamp is a luminaire adapted to two 60W lightbulbs with E27 base. Wooden diffusers are attached to strip which is designed to ceiling mounting. Ingress protection grade IP20 makes it appropriate for indoor use. The strip allows to adjust the suspension height of the diffusers. Lightbulbs are not included in the set and need to be bought separately, taking into account their wattage as well as color temperature of the emitted light. The final effect will largely depend on these choices. Naturally, it is a good idea to keep in mind the intended purpose of the illuminated space and select the appropriate light sources

accordingly.
