PRODUCT DESCRIPTION

ANAFI 1P is a single pendant lamp with diffuser of 22cm diameter, suspension height can be regulated on the cable. The lamp is designed for surface mounted ceiling installation. With ingress protection IP20 it is perfectly sufficient for indoor use, away from moisture. You can easily install a single E27 light source of max. 60W power. Lightbulbs are not included in the set and need to be bought separately, taking into account their wattage as well as color temperature of the emitted light. The final effect will largely depend on these choices. Naturally, it is a good idea to keep in mind the intended purpose of the illuminated space and select

the appropriate light sources accordingly.

TECHNICAL DATA

General information:

Outer diameter:	220 mm
Nominal voltage:	230 V
Lamp type:	Bulb
Suitable for lamp power:	60 W
Lamp holder:	E27
Suitable for number of lamps:	1
With light source:	No
