### PRODUCT DESCRIPTION

ANAFI 2P is a double pendant wall with a 40 cm long strip and two diffusers of 22cm diameter each, suspension height can be regulated on the cable. The lamp is designed for surface mounted ceiling installation. With ingress protection IP20 it is perfectly sufficient for indoor use away from moisture. You can easily install two E27 light sources of max. 60W power. Lightbulbs are not included in the set and need to be bought separately, taking into account their wattage as well as color temperature of the emitted light. The final effect will largely depend on these choices. Naturally, it is a good idea to keep in mind the intended

purpose of the illuminated space and select the appropriate light sources accordingly.
