PRODUCT DESCRIPTION

LARISA is an extremely stylish and classic light series that brings both subtlety and elegance to any interior. Every lamp in the series combines elements that make them not only aesthetic but functional as well. This is a perfect solution for those who look for consistent lighting composition.

Each luminaire is made of metal that guarantees durability and dependability. The interesting shape and elegant ecru finish of the lamps make them universal and suitable for simple classic interiors. The lampshades

are made of glass which enables uniform light distribution. This makes the luminaires delicate and creates pleasant room atmosphere.

The LARISA lamps are available in four versions: pendant lamp with one, three or five light sources, and a wall lamp. The LARISA series perfectly illuminates interiors irrespective of the number of light sources needed.

The presented LARISA 5P luminaire is a pendant lamp with five E27 bases suitable for five bulbs max. 60W each. It is a perfect solution to illuminate a larger living or dining room. You may adjust the colour of the light by choosing the bulb.
