PRODUCT DESCRIPTION

The ACHAJA lamp series is a full lighting collection combining both elegance and functionality. Its interesting design catches the eye with glass stones hanging from the lamp's arms. This creates an exceptional decorative element making the luminaires unique.

The series includes pendant lamps, with three or five bases, and a wall lamp. Each lamp of the collection is remarkable in style and excellent in quality; thus, they are a perfect addition to every interior.

The ACHAJA collection is made of metal that guarantees durability. What is more, each lamp has a beautiful lampshade which makes the lamps elegant.

They are available in two versions: brass combined with black lampshade and stones, and chrome combined with grey lampshade and transparent stones.

The presented ACHAJA 3P is a pendant lamp equipped with three E27 bases enabling to install three bulbs, max. 60W each. You may adjust the light to your own preferences by choosing a bulb.

The luminaire has a large lampshade in black, and metal finish in chrome with hanging black stones made of glass.

The lamp perfectly works over a table, desk or in a living room being at the same time a decorative element of the space in question.
