PRODUCT DESCRIPTION

OTRIS is a complete lamp series that includes a wall lamp as well as pendant lamps with different number of light sources. This is a perfect choice for those who want to create a modern and minimalistic style in their interior.

Glass ball-shaped lampshades placed on an elegant round finish made of steel in distinctive black colour are the unique feature of the collection. The lampshades are placed in hoop-shaped arms, which make them look

aesthetic. The arms also facilitate operation and replacement of bulbs.

What is more, all OTRIS lamps are regulated. You may direct the beam angle to adjust the light to particular needs and preferences creating optimum conditions in a room.

Each of OTRIS lamps highlights a unique character of interiors and creates atmosphere full of style and comfort, tailored to individual needs.

OTRIS 1P is a pendant lamp suitable for G9 LED bulb, max. 12W (bulb not included). Its construction is made of metal in elegant combination of black colour and nickel that makes it look modern. Smoked glass lampshade diffuses light perfectly creating a pleasant room atmosphere. It is an excellent solution in places, such as offices, rooms or kitchens to create subtle designer illumination.
