PRODUCT DESCRIPTION

Aluminum profile for LED strips, drywall recessed on flat surfaces, silver. Used not only for room decoration but mainly for a LED strip protection. The profile fully manufactured from aluminum thanks to which heat is dissipated more effectively and the led strip does not overheat.

The profile with a LED strip helps to illuminate not only a desired area but also furniture or a mirror. It will perfectly work at home or/and in an office.

The presented profile measures 2000 x 57,89 x 9,8 mm. The width of the profile enables to install two LED strips.

Available also in a set of 50.
