PRODUCT DESCRIPTION

Silver aluminum surface mounted profile for LED strips. Used not only for room decoration but mainly for a LED strip protection. The profile fully manufactured from aluminum thanks to which heat is dissipated more effectively and the led strip does not overheat.

The profile with a LED strip may be installed, for example, on the wall to illuminate a desired area, but also it may be installed to illuminate furniture or a mirror. It will perfectly work at home or/and in an office.

The set contains 50 pieces measuring: 2000 x 17 x 7 mm each.

Available also in black.
