PRODUCT DESCRIPTION

Lampshade for drywall recessed profile, AD-LP-6507 series. The cover made of milky polycarbonate thanks to which the inside of a profile is invisible. The lampshade is used for aesthetic finish and protection of a LED strip inside the aluminum profile.

The milky lampshade diffuses light points of the LED strip well without affecting the color of the light at the same time.

A set of 50 pieces. Available also in transparent and black version.
