PRODUCT DESCRIPTION

AKMAN LED 9W is a downlight luminaire designed for flush-mounting. AKMAN emits a luminous flux of 530lm (3000K) and has a built-in LED power supply. The recessed AKMAN luminaire, equipped with a non-replaceable 9W LED light source, is a luminaire adapted for ceiling mounting. It will be perfect as a complement to e.g., suspended ceilings. The square LED fixture emits a stream of light with a power of 530lm in a warm color of 3000K. This white, square luminaire, made of durable and neat plastic, will look good in recesses or display windows. It will also highlight selected elements of home interior design. The viewing angle

of the luminaire is 360°. The IP20 degree of protection guarantees long-term use indoors. Classic, simple design, quality finishing and intuitive assembly are the main features of the AKMAN series.
