PRODUCT DESCRIPTION

AKMAN LED 9W, a square downlight luminaire, is a good choice when we are looking for quality solutions at a reasonable price. Designed for flush-mounting, the AKMAN luminaire has a built-in non-replaceable 9W LED light source. It is adapted for ceiling mounting. The LED fixture emits a stream of light with a power of 540 lm and a neutral color of 4000 K, which makes it a universal choice for various types of interiors. The white luminaire, made of durable and neat plastic, will look good in recesses, display windows, but will also emphasize selected elements of home interior design. Equipped with an integrated LED power supply, it has a

360° viewing angle and an IP20 degree of protection. Intended for indoor use. Classic, simple design, durability and intuitive assembly are the main features of the AKMAN series.
