

CITY LED 20W downlight, surface-mounted, round, 1600lm, 3000K, white, built-in LED driver

AdvitiMarka: **ADVITI** | Symbol: **AD-OD-6059WLX3** | Ean: **5908254818790**

PRODUCT DESCRIPTION

Round ceiling downlight with a built-in power supply, designed for surface mounting in interior rooms such as kitchens, staircases, corridors, basements, garages, etc. This downlight uses SMD LEDs, which guarantee high energy efficiency and have a long service life. Presented luminaire for ceiling mounting works with rated power of 20 W and emits light with luminous flux of 1600 lm, with a warm and pleasant colour, which is 3000K. Material: PMMA + aluminum insert.

TECHNICAL DATA

General information:

Luminous flux:	1600 lm
Rated power:	20 W
Light source:	LED SMD
Degree of protection (IP):	20
Colour temperature:	3000
Nominal voltage:	230V~, 50Hz
Colour:	white
Installation:	surface mounting
Dimensions - depth:	34.5 mm
Dimensions - width:	246,5 mm
Dimensions - height:	246.5 mm
Other features:	built-in power supply, aluminum insert
Colour rendering index CRI:	>80
Material:	PMMA
