PRODUCT DESCRIPTION

This luminaire from the LETI series, is a square downlight, designed for surface mounting. The luminaire is equipped with a non-replaceable LED light source with a power of 9W, emitting a luminous flux of 540lm in a neutral color (4000K). A classic and simple model in white, will suit well to interiors of various types. It will look equally good in a shop window as well as in a hairdressing salon or home corridor. Solid finishing and intuitive ease of installation are the undoubted advantages of the series. It is equipped with an integrated LED power supply.
