PRODUCT DESCRIPTION

The ELIZA downlight is a luminaire designed for those who seek elegance, but also for those who appreciate functionality and aesthetics.

It attracts with classic and elegant shape of a simple black tube; the gold inside of the housing adds to its a unique charm. A minimalistic design makes it perfectly compose with almost every style from home interiors to office spaces.

ELIZA is equipped with replaceable source of light – you may easily adjust the light's colour to your own needs. The installation and replacement of the bulb is extremely easy. Simply screw it into GU10 thread.

The downlight is not only a perfect source of light but also a decorative element making the interior exceptional. With ELIZA downlight you will create unusual lighting compositions.

The IP20 luminaire is dedicated for mounting inside dry rooms.

The housing is made of high-quality aluminium. The frame's dimensions are 70x110 mm.

Available also in black.
