PRODUCT DESCRIPTION

Power cord for NOTUS LED luminaires. Compatible with linear luminaires: AD-OL-6099LZM4, AD-OL-6100LZM4, AD-OL-6101LZM4, AD-OL-6102LZM4. Individual luminaires do not come with a power cord because each user has the ability to connect them into longer rows and light lines, which determine the final connection point. At the end of each luminaire, you will find a socket to connect the cord. The product is made of white plastic.
