## PRODUCT DESCRIPTION

## TECHNICAL DATA

## General information:

|                                                      |                   |
|------------------------------------------------------|-------------------|
| Nominal voltage [V]:                                 | 230               |
| Lamp type:                                           | LED, niewymienne  |
| Suitable for lamp power [W]:                         | 14                |
| Rated luminous flux according to IEC 62722-2-1 [lm]: | 1260              |
| Luminaire efficacy [lm/W]:                           | 90                |
| With light source:                                   | tak               |
| Colour temperature [K]:                              | 4000              |
| Rated life time L70/B50 at 25 °C [h]:                | 15000             |
| Colour rendering index CRI:                          | 70-79             |
| Colour of light:                                     | Neutralny biały   |
| Degree of protection (IP):                           | IP20              |
| Protection class:                                    | II                |
| Montage:                                             | natynkowy         |
| Material:                                            | Tworzywo sztuczne |
| Colour housing:                                      | Biały             |
| Width [mm]:                                          | 22                |
| Height/depth [mm]:                                   | 37                |
| Length [mm]:                                         | 1174              |
| Voltage type:                                        | AC                |
| Exchangeable control gear:                           | tak               |
| With switch:                                         | tak               |
| The switch type:                                     | kołyskowy         |
| Connection type:                                     | Wtyk 2-pinowy     |
