

NORTES LED 5W, mirror lamp, 320lm, 4000K, 30 cm long, aluminium black

AdvitiMarka: **ADVITI** | Symbol: **AD-OM-6104L4/B** | Ean: **5908254822179**

PRODUCT DESCRIPTION

NORTES LED lamp for illuminating mirrors, showcases, paintings or other elements that we would like to display with light. The lampshade, made of plastic, has a long, flat shape, thanks to which it ensures even illumination of a given surface. The simple and elegant form of this luminaire will make the lamp look good both in a modern bathroom and in interiors full of classic furniture, in which there are items worth special distinction with light. The light source in this product has a form of SMD LEDs that emit light with a natural white color. Despite low energy consumption of 5W, the luminous flux of the emitted light is high and equals to 320lm. The IP44

ingress protection class guarantees sufficient protection against dust and water splashing from any angle. Thanks to this the lamp is a safe solution for installation in the bathroom and other rooms with increased humidity. This type of lighting has been designed in a way that allows installation on the cabinet or mirror frame. The product is made of aluminum in black color. The length of the luminaire is 30 cm.

TECHNICAL DATA

General information:

Luminous flux:	320 lm
Rated power:	5 W
Light source:	LED SMD
Degree of protection (IP):	44
Colour temperature:	4000
Nominal voltage:	230V~, 50Hz
Colour:	black mat
Installation:	surface mounting
Motion sensor:	No
Dimensions - depth:	40 mm
Dimensions - width:	300 mm
Dimensions - height:	100 mm
Other features:	Installation on the cabinet or mirror frame
Colour rendering index CRI:	>80
Material:	aluminum
