

## NORTES LED 12W, mirror lamp, 900lm, 4000K, 50 cm long, aluminium (INOX)

**Adviti**Marka: **ADVITI** | Symbol: **AD-OM-6208L4** | Ean: **5908254822544**

### PRODUCT DESCRIPTION

NORTES LED lamp for illuminating mirrors, showcases, paintings or other elements that we would like to display with light. The lampshade, made of plastic, has a long, flat shape, thanks to which it ensures even illumination of a given surface. The simple and elegant form of this luminaire will make the lamp look good both in a modern bathroom and in interiors full of classic furniture, in which there are items worth special distinction with light. The light source in this product has a form of SMD LEDs that emit light with a natural white color. Despite low energy consumption of 12W, the luminous flux of the emitted light is high and equals to 900lm. The IP44

ingress protection class guarantees sufficient protection against dust and water splashing from any angle. Thanks to this the lamp is a safe solution for installation in the bathroom and other rooms with increased humidity. This type of lighting has been designed in a way that allows 4 methods of installation - in a display case, above the mirror and 2 different ways to mount it on the wall. The product is made of aluminum in silver (INOX) color. The length of the luminaire is 50 cm.

## TECHNICAL DATA

### General information:

|                                    |                          |
|------------------------------------|--------------------------|
| <b>Luminous flux:</b>              | 900 lm                   |
| <b>Rated power:</b>                | 12 W                     |
| <b>Light source:</b>               | LED SMD                  |
| <b>Degree of protection (IP):</b>  | 44                       |
| <b>Colour temperature:</b>         | 4000                     |
| <b>Nominal voltage:</b>            | 230V~, 50Hz              |
| <b>Colour:</b>                     | inox                     |
| <b>Installation:</b>               | surface mounting         |
| <b>Motion sensor:</b>              | No                       |
| <b>Dimensions - depth:</b>         | 43 mm                    |
| <b>Dimensions - width:</b>         | 500 mm                   |
| <b>Type of switch:</b>             | on/off                   |
| <b>Dimensions - height:</b>        | 120 mm                   |
| <b>Other features:</b>             | 4 methods of instalation |
| <b>Colour rendering index CRI:</b> | >80                      |
| <b>Material:</b>                   | PMMA, aluminum alloy     |
