decorated interior. This type of light is designed to be mounted to the bottom surface of a shelf or cabinet.

The luminaires have a single through-wiring with a self-locking connector.

A single lamp can be used as an extension to the set. The series includes single lights without switch, single lights with switch and a set of 3 (2x without switch, 1x with switch). Power supply unit included in the 3-light set only.

The luminaire is also available in black.
