PRODUCT DESCRIPTION

MERA LED wall lamp is an excellent lighting solution that additionally provides an elegant decorative element. Great for various interiors such as the bathroom, hallway or dressing room. Perfectly suited over a mirror or to illuminate a painting. Due to its black housing, which gives it a classic yet minimalist appearance, the lamp will fit into any type of interior design.

The wall lamp has a non-replaceable LED light source of 8W with a luminous flux of 480lm. The MERA LED

provides light with a pleasant neutral colour of 4000K, ideal for everyday activities without tiring the eyes.

Wall lamp housing made of durable aluminium in black. Lampshade made of matt/satin plastic.

Dimensions 50x115x400mm.
