

RICO LED mirror light 9W, 990lm, 4000K, IP44, 50 cm, black

AdvitiMarka: **ADVITI** | Symbol: **AD-OM-6519L4/B** | Ean: **5908254843655**

PRODUCT DESCRIPTION

The RICO LED mirror light is not only a source of light, but also a decorative element that can bring a unique atmosphere to bathrooms, corridors or rooms. Thanks to the combination of classic and modern elements, this lamp will fit into both traditional and modern interiors. It can be used over a mirror, under a cabinet or as a backlight for paintings.

One of the most important features of this lamp is its movable arm, which makes it possible to adjust the

angle of the light to suit individual needs. The mirror lamp has as many as three adjustment points: at the base, in the middle and at the shade, which allows you to position the lamp precisely where you need it. The device emits light with a pleasant neutral colour temperature of 4000K.

The RICO LED lamp was designed with safety and durability in mind. It has an IP44 protection level, which means that it is resistant to moisture and dust. This allows it to be safely installed in rooms of increased humidity, such as bathrooms.

The presented mirror lamp is the ideal solution both for people looking for elegant lighting for their home and for institutions, such as hair salons, where aesthetics and functionality are of great importance.

The body is made of metal. The housing colour is black.

The dimensions of the RICO LED are 50x210x500 mm.

The lamp is also available with a shorter arm (400mm) with a lower light power of 7W.

TECHNICAL DATA

General information:

Nominal voltage [V]:	230
Lamp type:	LED, niewymienne
Suitable for lamp power [W]:	9
Rated luminous flux according to IEC 62722-2-1 [lm]:	990
Suitable for number of lamps:	1
With light source:	tak
Colour temperature [K]:	4000
Rated life time L70/B50 at 25 °C [h]:	25000
Colour rendering index CRI:	80-89
Colour of light:	Neutralny biały
Degree of protection (IP):	IP44
Protection class:	I
Suitable for wall mounting:	tak
Suitable for surface mounting:	tak

Material housing:	Metal
Colour housing:	Czarny
Material cover:	Tworzywo sztuczne matowe/satynowe
Width [mm]:	50
Height/depth [mm]:	210
Length [mm]:	500
Exchangeable control gear:	tak
Other features:	Ruchome ramię
