

RINO wall and ceiling luminaire, max. power 3x50W, GU10, IP20, white

AdvitiMarka: **ADVITI** | Symbol: **AD-OP-6246WGU10** | Ean: **5908254825132**

PRODUCT DESCRIPTION

RINO SP 3 is a movable, wall and ceiling luminaire that is perfect for anywhere you need to direct light in a specific direction, in order to illuminate or highlight design elements and create an interesting visual effect. Thanks to its simple, minimalist design, it is suitable for residential and commercial spaces (IP20), traditional or modern. The product is suitable for three light sources with GU10 base and 3 x 50W max. power consumption (light sources not included) and it is made of aluminum. The direction of light can be adjusted thanks to the movable body of the luminaire. We can mount it both on the wall and on the ceiling. Available in white.
