

## MALTA SP 2, wall and ceiling light, GU10 max. 2x12W, IP20, black

Marka: ADVITI | Symbol: AD-OP-6481BGU10 | Ean: 5908254841569

**Adviti** 

## PRODUCT DESCRIPTION

The MALTA lighting collection has been designed to create a harmonious interior using different numbers of light points and base shapes. The greatest advantages are versatility and practicality. Each luminaire in the collection has an IP20 protection rating, making it a suitable choice indoors.

The products are highly functional thanks to the rotatable heads (360°) in the base, which allow the incident light to be directed to a specific location. They can also be used to illuminate a selected object.

The simple and minimalist design, combined with the rotating heads around their own axis, is ideal for any room, whether residential or commercial with a classic or modern interior.

MALTA SP 2 is a movable wall and ceiling surface-mounted luminaire in white with an elongated base. It is suitable for two light sources with GU10 base and max. 12W LED (not supplied). The luminaire has a high resistance to mechanical damage IK09.

The luminaire is made of aluminium. The product is also available in black.

## **TECHNICAL DATA**

## General information:

Nominal voltage [V]: 230   Lamp type: Żarówka   Suitable for lamp power [W]: 12   Lamp holder: GUIO   Suitable for number of lamps: 2   With light source: nie   Max. Power [W]: 12   Degree of protection (IP): IP2O   Impact strength: IK09   Protection class: I   Suitable for wall mounting: tak   Suitable for ceiling mounting: tak   Suitable for surface mounting: tak   Material housing: Aluminium   Colour housing: Czarny   Width [mm]: 65   Height/depth [mm]: 125   Length [mm]: 220
