

KUBAR SP 2, wall and ceiling luminaire, 2xGU10, IP20, white

Adviti

Marka: ADVITI | Symbol: AD-OP-6510WGU10 | Ean: 5908254842986

PRODUCT DESCRIPTION

KUBAR lighting collection combines classic and modern elements. Interesting and at the same time minimalistic design works in diverse architectural styles. Rectangular base and geometrical lampshade as well as different number of light points help to create consistent interior.

Each luminaire in the collection is made of durable aluminium and has IP20 level which makes it a right choice not only in residential but also in commercial buildings. The KUBAR collection is available in black and white.

Thanks to rotating heads (360°) the KUBAR products enable to direct light to the desired place. In this way, it is possible to create an interesting illumination of a whole interior.

(1)

KUBAR SP 2 is a wall and ceiling surface mounted luminaire in white. It is adapted to two replaceable light sources with GU10 thread and max. power of 2x35W (bulbs not included). Installation and replacement of bulbs is extremely easy, and the user may adjust the colour temperature to their own needs.

The dimensions of the base are 258x60 mm.

The luminaire available also in black and with different number of light points.
