Adviti

Marka: **ADVITI** | Symbol: **AD-OP-6513BGU10** | Ean: **5908254843037**

PRODUCT DESCRIPTION

KUBAR lighting collection combines classic and modern elements. Interesting and at the same time minimalistic design works in diverse architectural styles. Rectangular base and geometrical lampshade as well as different number of light points help to create consistent interior.

Each luminaire in the collection is made of durable aluminium and has IP20 level which makes it a right choice not only in residential but also in commercial buildings. The KUBAR collection is available in black and white.

Thanks to rotating heads (360°) the KUBAR products enable to direct light to the desired place. In this way, it is possible to create an interesting illumination of a whole interior.

KUBAR SP 5 is a wall and ceiling surface mounted luminaire in black. It is adapted to five replaceable light sources with GU10 thread and max. power of 5x35W (bulbs not included). Installation and replacement of bulbs is extremely easy, and the user may adjust the colour temperature to their own needs.

The dimensions of the base are 778x60 mm.

The luminaire available also in white and with different number of light points.

TECHNICAL DATA

General information:

Nominal voltage [V]:	230
Lamp type:	Żarówka
Suitable for lamp power [W]:	5x35
Lamp holder:	GU10
Suitable for number of lamps:	5
With light source:	nie
Max. Power [W]:	5x35
