PRODUCT DESCRIPTION

LED staircase lights designed to provide decorative lighting to stairways, halls, walls, facades and other indoor traffic areas. The unique design of the light, its fixture made of stainless steel and the use of LED technology make the lamp suitable for both – classic and modern interiors. This staircase lamp works with rated power of 1.5W and emits light with luminous flux of 30 lm with a cool and bluish color, which is 6000K. The innovative method of assembly allows you to mount the luminaire in any box with a diameter of 60 mm.

TECHNICAL DATA

General information:

Luminous flux:	30 lm
Rated power:	1.5 W
Light source:	LED SMD
Colour temperature:	LED SMD
Nominal voltage:	12V DC
Colour:	satin
Installation:	flush mounting
Dimensions - depth:	31 mm
Dimensions - width:	75 mm
Dimensions - height:	75 mm
Other features:	Innovative solution that allows flush-mounting in any 60 mm junction box
