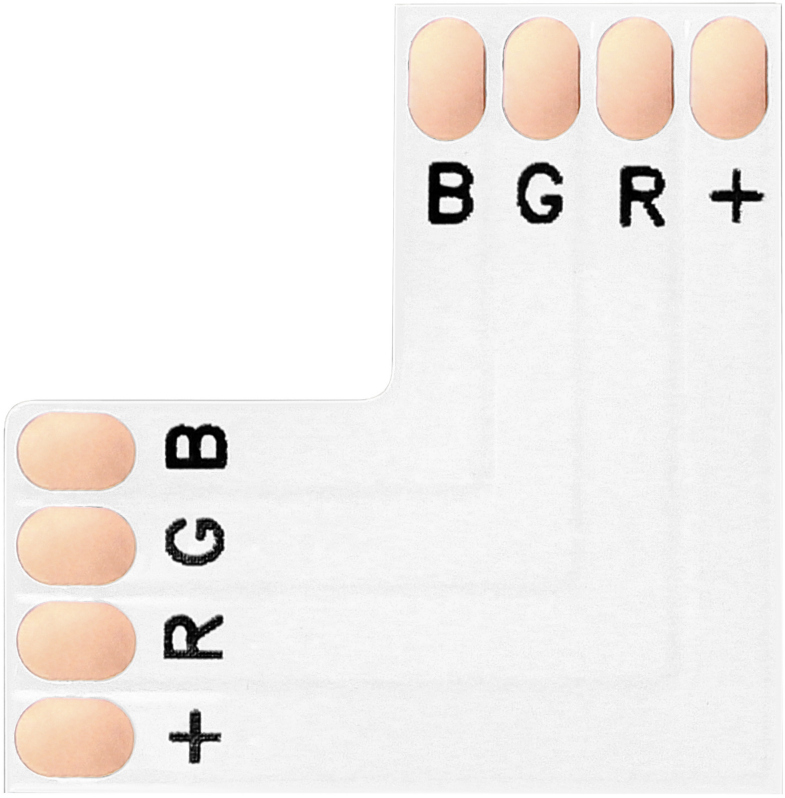
Angle LED RGB connector 10mm "L"

Marka: **ADVITI** | Symbol: **AD-TL-6499/Z/L/RGB** | Ean: **5908254842306**



PRODUCT DESCRIPTION

Angle LED connector "L" for 10 mm wide LED strips with max. power 48V. This is a convenient solution for connecting RGB (colored) LED strips at 90°. Thanks to its small size, it works well for connecting strips in aluminium profiles - with the need for soldering.

The model allows the use of additional compression connectors - in which case there is no need to solder the connector to the strip.
