

Wireless mini alarm with PIR motion sensor and a siren, with remote control

ViRONE

Marka: **Virone** | Symbol: **AS-11** | Ean: **5908254827938**

PRODUCT DESCRIPTION

This wireless mini alarm with PIR motion sensor, has a detection range of 5 meters. It has a built-in siren and is remotely controlled. It helps to ensure safety and gives access control to the protected areas. The device is equipped with a ball joint and a mounting arm that can be adjusted in a wide range. This solution enables installation on the wall and on the ceiling. The device can operate in three modes: as an alarm , as a lamp and both.
