

Mini shock alarm, battery-operated

Marka: **Virone** | Symbol: **AS-2** | Ean: **5908254814150**

ViRONE

PRODUCT DESCRIPTION

This alarming device helps to protect a room or a building against breaking of a window pane, or forcing out a window or a door. Easy installation with an adhesive tape. The device has a built-in siren that activates a loud alarm sound triggered by window breaking or any strong impact that caused a shock.
