

Bathroom fan 100mm, surface-mounted - cord with switch

VIRONEMarka: **Virone** | Symbol: **BF-100/PS** | Ean: **5908254815928**

PRODUCT DESCRIPTION

Useful bathroom fan that automatically draws the moist air to the outside. It is designed for wall mounting. A very quiet device that will take care of the air quality in the bathroom, but will not disturb our relaxation zone. The fan has a compact design 135x135mm and a short exhaust pipe, which will fit even in shallow ventilation ducts. The fan has got a cord with switch.
