VIRONE

PRODUCT DESCRIPTION

The SELENE wall or ceiling-mounted light in grey with IP54 protection level for outdoor and indoor lighting with high humidity levels. The classic round shape will work well in both residential and commercial spaces.

The combination of several of the same SELENE series lamps will change the arrangement of larger commercial spaces, such as conference rooms.

Lamp suitable for two replaceable light sources, i.e. bulbs with E27 thread, max. 60W. The bulbs are not included, so you can adapt the parameters of the emitted light to your own needs.

The product also features a high degree of impact protection - IK07.

The housing material consists of metal and plastic and the lampshade of matt/satin plastic. The diameter of the lamp is 30.5 cm.

Product also available in white and black.
