

DUARA ceiling light, 2xE27 max 120W, IP20, silver

Marka: **Virone** | Symbol: **CL/2XE27-7/G** | Ean: **5908254816222**

PRODUCT DESCRIPTION

A wall and ceiling light with a classic round shape, for indoor installation. The lamp has a minimalist look. It will go well in both - modern interiors and Scandinavian-style rooms. Thanks to its simple form and neutral colors, it will also fit perfectly into children's and teenagers' rooms, where there is usually a multitude of colors and shapes. An interesting visual effect can also be achieved by combining several such lamps. The luminaire is powered by 2 replaceable light sources with the E27 thread (max. 120W). The lamp has got a polycarbonate shade in a milky color, thanks to which the light will be evenly distributed. The lamp's base is made of metal

available in two colors - black and silver.

TECHNICAL DATA

General information:

Nominal voltage:	230V~, 50Hz
Base / holder:	E27
Replaceable light source:	Yes, not included
Rated power:	2x60 W
Protection class against electric shock:	I
Ambient temperature range to which the product may be exposed:	-20 ~ 45 °C
Degree of protection (IP):	20
Place of application:	Inside
Installation:	surface-mounting
Colour:	silver
Dimensions - width:	340 mm
Dimensions - height:	60 mm
Weight:	750 g
Material housing:	PVC + Metal
The minimum distance from the illuminated object:	0,5 m
