Marka: **Virone** | Symbol: **CL/2XE27-8** | Ean: **5908254841408**

ViRONE

PRODUCT DESCRIPTION

NABU ceiling or wall-mounted light in white with IP20 protection level for interior lighting of dry rooms.

The classic round shape will work well in both residential and commercial spaces. The ceiling light will find its use in the staircase, office or basement. The simple design means that a combination of several of the same NABU luminaires will definitely change the arrangement of larger functional areas, such as conference rooms.

The lamp is suitable for two replaceable light sources, i.e. bulbs with an E27 thread of max. 60W. The bulbs are not included, so you can adapt the parameters of the emitted light to your own needs.

The product also features a high degree of impact protection - IK07.

The housing material consists of metal and plastic and the lampshade of matt/satin plastic. The diameter of the ceiling light is 32.5 cm.

TECHNICAL DATA

General information:

Nominal voltage [V]:	230
Lamp type:	Żarówka
Suitable for lamp power [W]:	2x60
Lamp holder:	E27
Suitable for number of lamps:	2
