

GAVE LED 18W wall and ceiling light, 1260lm, IP20, 4000K

Marka: **Virone** | Symbol: **CL/L-4** | Ean: **5908254814204**

PRODUCT DESCRIPTION

Wall and ceiling light for household and other indoor areas. The device is used to illuminate rooms such as: staircases, corridors, warehouses, basements, garages, utility rooms, etc. The use of modern LED diodes guarantees high energy efficiency and long life of the device. Thanks to the optimal arrangement of the LED modules (in the form of a triangle) and the lenses used, each LED diffuses the light evenly, so there are no shadows and visible points of light. The lampshade is made of milky PVC and the base is made of steel.

TECHNICAL DATA

General information:

Place of application:	Inside
Possibility of cooperation with a dimmer:	No
Replaceable light source:	No
Durability L70/B50:	25000 h
Connection type:	Screw cube
The minimum distance from the illuminated object:	0,5 m
Luminous flux:	1260 lm
Rated power:	18 W
Light source:	LED SMD
Degree of protection (IP):	20
Colour temperature:	4000K
Beam angle:	120 °
Ambient temperature range to which the product may be exposed:	- 10 ~ 40 °C
Colour:	white
Installation:	Wall-mounted, ceiling-mounted
Dimensions - depth:	64 mm
Dimensions - width:	316 mm
Dimensions - height:	316 mm
Colour rendering index CRI:	>80
Base / holder:	Not applicable
Weight:	360 g
Material housing:	Steel plate
Material of the lampshade:	PVC
Control of the motion sensor:	No
Number of on / off cycles:	15000

Protection class against electric shock:

I
