

FALANTE DC wireless battery-powered doorbell, learning system, 38 sounds, 200m

Marka: **Virone** | Symbol: **DB-5** | Ean: **5908254828669**

PRODUCT DESCRIPTION

FALANTE is a wireless battery-powered doorbell that will be the perfect solution for those looking for an aesthetically pleasing, functional and extremely practical product. The doorbell is distinguished by its elegant design and high quality finish, thanks to which the receiver with a fabric front looks beautiful in any room.

The long outdoor range (200m) allows the receiver to be placed anywhere, in the house or flat, and the transmitter on the gate or at the front door. The real advantage of the product is the non-obvious possibility

of expanding the receiver with further transmitters, thanks to the Learning System solution.

Users can also benefit from a 4-step volume adjustment of the chime, adapting it to their needs. An additional advantage will also be the transmitter's resistance to moisture, for example (protection level IP44). Falante has 38 available doorbell melodies to choose from, allowing the signal to be tailored to users' preferences. The ringer also provides the option to mute the sounds and limit the notification to LED only.

The FALANTE battery-operated wireless doorbell is the ideal choice for those who value functionality, aesthetics and convenience and want to avoid installing power cables, interfering with walls, facades or gardens.

TECHNICAL DATA

General information:

Wireless:	tak
Max. transmission range [m]:	200
Frequency [MHz]:	433.92
Possibility of extension by an additional transmitters:	tak
Other features:	Learning System

Receiver:

Type of current (receiver):	DC
Nominal voltage [V]:	4.5
Battery - type and quantity (receiver):	3xAA
Built-in battery (receiver):	nie
Electricity consumption [W]:	0.2
Number of ringtones:	38
Loudness [dB]:	85
Volume adjustment [dB]:	tak
Volume adjustment range [dB]:	60-85
Optical indication:	tak
Mounting method:	Montaż natynkowy

Degree of protection (IP):	IP20
Housing material (receiver):	tworzywo sztuczne i materiał
Colour housing:	Czarny
Width (receiver) [mm]:	124.8
Height (receiver) [mm]:	124.8
Depth (receiver) [mm]:	36.6

Transmitter:

Type of current (transmitter):	DC
Nominal voltage (transmitter) [V]:	3
Battery - type and quantity (transmitter):	1xCR2032
Built-in battery (transmitter):	tak
Transmitter max. power [mW]:	<5
Degree of protection (IP) (transmitter):	IP44
With lighting:	tak
With name plate:	tak
Housing material (transmitter):	Tworzywo sztuczne
Colour (transmitter):	Czarny
Width (transmitter) [mm]:	32
Height (transmitter) [mm]:	76
Depth (transmitter) [mm]:	17
