PRODUCT DESCRIPTION

HANA LED desk lamp is an excellent solution for those who appreciate both functionality and elegant look. It perfectly works on countertops or desks, in the homes or offices.

The adjustable arm enables to direct the light exactly where you need it. It features three-step dimmer to adopt the intensity of the light to one's own needs.

The HANA lamp is not only functional but also energy-efficient thanks to LED with the power of 5W, luminous flux of 240lm and pleasant neutral colour of 4000K.

The aluminium housing guarantees durability. Its elegant and minimalistic design adds elegance to every interior. Anti-slip base guarantees that the lamp stands stable on a desk. The touch switch incorporated into the base is a practical solution as you do not need to look for it on a cable.

The lamp is 38 cm high. The 1.5 m cable ends with a USB plug (adapter not included). Black colour.
