

## HERON LED, desk lamp, 5W, 250lm, 2700-6500K, light color changing, dimmable function, white

Marka: **Virone** | Symbol: **DL-19/W** | Ean: **5908254851339**

### PRODUCT DESCRIPTION

The HERON LED desk lamp is a functional lighting solution that is perfect for spaces such as bedrooms, children's rooms or offices. Thanks to its simple shape, the lamp fits easily into a variety of designs.

The built-in LED light source features high energy efficiency and long service life. The product is powered by 5V DC, has an output of 5W and emits light with a luminous flux of 250lm. The 5-stage colour temperature control (2700/3500/4000/5000/6500K) allows the light colour to be adjusted to one's needs - from very

warm to cold. In addition, the 3-stage brightness control allows the intensity of the light to be adapted to the ambient conditions.

The two-position adjustable arm allows to regulate the lighting angle, and the possibility to rotate the LED panel right and left ensures precise illumination of the workspace. The lamp can also be easily folded if required.

The product has two built-in USB ports. A power cable shall be connected to the USB C port, while the USB A port allows convenient charging of other electronic devices. The 1 m cable and power supply are included.

The lamp is equipped with two touch buttons – for switching on/off as well as adjusting intensity and the colour temperature of the light. The product is made entirely of plastic. The lamp is available in black and white. The dimensions measure: 160x290x350 mm.

## TECHNICAL DATA

### General information:

Nominal voltage [V]:	5
Lamp type:	LED, niewymienne
Suitable for lamp power [W]:	5
Rated luminous flux according to IEC 62722-2-1 [lm]:	250
With light source:	tak
Colour temperature [K]:	2700/3500/4000/5000/6500
Rated life time L70/B50 at 25 °C [h]:	30000
Colour rendering index CRI:	80-89
Light source with the ability to change the light color:	tak
Energy efficiency class of the built-in lamp:	F
Colour of light:	Wielobarwny
Brightness adjustment:	tak
USB charger:	tak
Degree of protection (IP):	IP20
Protection class:	III
Type of luminaire:	Oprawa biurkowa

<b>Mounting method:</b>	Stopka
<b>Adjustable:</b>	tak
<b>Material housing:</b>	Tworzywo sztuczne
<b>Colour housing:</b>	Biały
<b>Width [mm]:</b>	160
<b>Height/depth [mm]:</b>	350
<b>Length [mm]:</b>	290
<b>The length of the power cord [m]:</b>	1
<b>Voltage type:</b>	DC
<b>Exchangeable control gear:</b>	nie
<b>With switch:</b>	tak
<b>Colour temperature adjustable:</b>	Krokowo
<b>Luminous flux adjustable:</b>	Krokowo
<b>Other features:</b>	Wejście zasilania USB-C 5V DC, wyjście ładowania USB-A 5V DC max. 1A
