Marka: **Virone** | Symbol: **DL-20/W** | Ean: **5908254851353**

ViRONE

PRODUCT DESCRIPTION

The CANARD desk lamp is a practical lighting solution, perfect for everyday indoor use, e. g. in offices, bedrooms or youth rooms. It effectively illuminates the space while working, studying or reading.

The luminaire is suitable for a bulb with E27 thread and a maximum power of 15W as well as voltage of 230V. The bulb is not included, giving the user the opportunity to choose the light source according to their own preferences.

CANARD features a movable lampshade that may be adjusted both vertically and horizontally – to the right and left, up and down. Thanks to this, the light beam can be directed exactly where it is needed, providing optimal conditions for work or rest. It is controlled with a switch located on the 3 m long power cable.

The lamp is equipped with a metal clip, which allows for quick installation on countertops with a maximum thickness of 5 cm. The clip optimizes space on the desk and guarantees secure attachment without the risk of the lamp shifting or falling over.

The steel housing ensures durability and an aesthetic design. The lamp is available in white and black.

The dimensions measure: 90x165x130 mm.

TECHNICAL DATA

General information:

Nominal voltage [V]:	230
Lamp type:	Żarówka
Suitable for lamp power [W]:	15
Lamp holder:	E27
With light source:	nie
Degree of protection (IP):	IP20
Protection class:	II
Type of luminaire:	Oprawa biurkowa
Mounting method:	Zacisk
Adjustable:	tak
Material housing:	Stal
Colour housing:	Biały
Width [mm]:	90
Height/depth [mm]:	165
Length [mm]:	130
The length of the power cord [m]:	3
Voltage type:	AC

With switch:	tak
Other features:	Maksymalna grubość blatu 5 cm
