

## SPATIUM window intercom, wired system for two-way voice communication.

**VIRONE**Marka: **Virone** | Symbol: **IC-1** | Ean: **5908254805622**

### PRODUCT DESCRIPTION

Intercom set that enables safe communication at cash desks and counters in banks, hospitals, health centres, railway stations, post offices and other institutions where conversation with customers takes place. The set helps to secure touch-free transactions and close contact-free communication. This intercom provides high-quality voice calls and is easy to use. Additional potentiometers allow smooth volume adjustment. The clerk's microphone has got a flexible arm and can be easily adjusted to individual preferences.
