

## Camping string lights, 80/200lm, 2000mAh, 3000K, 8m

Marka: **Virone** | Symbol: **LA-10** | Ean: **5908254850455**

**ViRONE**

### PRODUCT DESCRIPTION

The night lamp with integrated string light combines functionality of classic lighting with decorative lighting effect. The product is perfect for home use – in the bedroom, living room or children's room – and outdoors, on the balcony, terrace or in the tent when camping.

The lamp is equipped with a 2000mAh Li-ion battery, charged via the USB-C port, eliminating the need to change batteries (cable included). A LED light source, with a luminous flux of 80 lm (string light) and 200 lm

(lamp), offers warm light colour of 3000K creating pleasant atmosphere.

The available modes of the string light allow a choice of lighting effects: steady light, flashing, brightening and dimming, as well as a combination with the front LED panel. Depending on the mode selected, the battery lasts between 2 and 4 hours.

The movable handle allows the light to be both placed and suspended, depending on the conditions of use. The extendable string light is 8 m long, rolled up using a crank and, thanks to the hook, it is easy to hang anywhere.

The lamp is made of high-quality plastic. The grey colour of the housing and the white lamp shade blend in with any surroundings. The IPX4 degree of protection ensures resistance to moisture, making it a perfect choice for both indoor and outdoor use. Dimensions: Ø90 mm, depth 49 mm. The length of the power cable is 0.5 m

The product is sold in a display of 12 pieces.

## TECHNICAL DATA

### General information:

Lamp type:	LED, niewymienne
Lamp power [W]:	1
Rated luminous flux [lm]:	80/200
Colour temperature [K]:	3000
Rated life time L70/B50 at 25 °C [h]:	50000
USB connection:	USB-C
With switch:	tak
Degree of protection (IP):	IPX4
Material housing:	Tworzywo sztuczne
Colour housing:	Szary
Material cover:	Tworzywo sztuczne matowe/satynowe
Material cover:	Biały
Height/depth [mm]:	49
Diameter [mm]:	90

The length of the power cord [m]:	0.5
Lighting time [h]:	3
Lighting range [m]:	5
Other features:	Zasilanie 2000 mAh Li-ion; Tryby pracy: girlanda stale włączona, girlanda mruga, girlanda przyciemnia się i rozjaśnia, girlanda i frontowy panel LED stale świecą, frontowy panel LED stale świeci; Długość girlandy 8m
