

Battery-operated LED lamp, self-adhesive 3xAAA

Marka: **Virone** | Symbol: **LA-3** | Ean: **5908254815836**

VIRONE

PRODUCT DESCRIPTION

Push lamp with 4 LEDs. Thanks to the strong and energy-saving stream of light and the absence of any wires, the lamp will be an ideal source of light e.g., in a deep wardrobe, kitchen or bedroom cabinet. It is attached with an adhesive tape, so you can place it wherever you need an additional light source. The product has got low battery consumption with significant lighting power. It is turned on by pressing the centre of the lamp.
