

Corridor LED night lamp with motion and twilight sensor 0.2W/3W, 200lm

VIRONEMarka: **Virone** | Symbol: **LA-4** | Ean: **5908254815843**

PRODUCT DESCRIPTION

LED lamp with a motion sensor, designed to provide light inside living rooms, corridors, kitchens, etc. The built-in twilight sensor activates the lamp automatically at reduced daylight (below 4lux) and it shines with continuous light (0.2W). When motion is detected the lamp brightens to 100% power (3W).

TECHNICAL DATA

General information:

| | |
|------------------------|-------------|
| Rated power: | 3 W |
| Light source: | LED SMD |
| Twilight sensor: | Yes |
| Colour temperature: | 3000K |
| Battery included: | No |
| Motion sensor: | Yes |
| Dimensions - width: | 71 mm |
| Hold time: | 40 sec. |
| Brightness adjustment: | No |
| Dimensions - height: | 73 mm |
| Detection range: | 3 m |
| Nominal voltage: | 230V~, 50Hz |
