

Battery night lamp 3xLED with motion sensor, 3xAA

Marka: **Virone** | Symbol: **LA-7** | Ean: **5908254820663**

VIRONE

PRODUCT DESCRIPTION

A portable, battery-operated LED night lamp, with motion sensor and a built-in twilight sensor. This night lamp is equipped with 3 LEDs and designed to illuminate the living rooms, bedrooms, children's rooms, stairs, wardrobes, garages, etc. when ambient light is reduced. It does not require any installation and it can be mounted on a wall or as a free-standing lamp. It features low battery consumption with significant lighting power.
