

Battery operated LED lamp with touch sensitive switch, 4500K

Marka: **Virone** | Symbol: **LA-8** | Ean: **5908254824005**

ViRONE

PRODUCT DESCRIPTION

Push lamp with 10 LEDs. Thanks to the strong and energy-saving stream of light and the absence of any wires, the lamp will be an ideal source of light e.g., in a deep wardrobe, kitchen or bedroom cabinet. The product has got low battery (3xAA) consumption with significant lighting power. It is turned on by pressing the centre of the lamp.
