and power supply.**

VIRONE

Marka: **Virone** | Symbol: **LD-6/5M/RGB/SET** | Ean: **5904988901098**

PRODUCT DESCRIPTION

DRACO LED NEW step light designed to provide decorative lighting for stairs, corridors, walls, facades or passageways inside rooms. The original design and high-quality finishing in stainless steel, combined with innovative LED technology, make the fixture suitable for both classic and modern interiors. In addition, this luminaire has been equipped with a PIR motion sensor and a twilight sensor, thanks to which (depending on

the settings) the stair lighting will only turn on when it detects movement or when ambient light intensity drops below the set level. The lamp emits light the temperature of which is 6000K. Light in this color is cool and closer to daylight. It is worth installing in places where you need clear light that reflects colors well. Color - white.

TECHNICAL DATA

General information:

Luminous flux:	750 lm
Degree of protection (IP):	20
Colour temperature:	RGB
Beam angle:	120 °
Current supply:	12V
Type of diodes:	5050
Roll length:	5 m
Energy input:	7,2W/m
Dimmable:	Yes
Other features:	150lm/m
Width:	10 mm
